

FISHING SAFARI

- Max 2 boats: 8 pax

Fishing Safaris provides fishing excursions on the Zambezi River above Victoria Falls. For those with a hunger for adventure, there is no better way to get “hooked on the Zambezi”. Our experienced guides will take you to the best fishing areas where your thirst for action can be satisfied. Over 75 species of fish lurk in the waters of the mighty Zambezi with a quest to elude capture. One of these is rated by many anglers as “the finest sporting and fighting fish in the world” - The renowned Tiger fish. Come and meet this formidable opponent.

Whether the serious angler, recreational fisherman or first timer – there is enjoyment to be had by all. A variety of wildlife can also be viewed along the river, from hippo to the soaring eagle, the churning rapids to the serenity of a gentle flowing river – there is something for everyone. Fishing Safaris offers you a memorable day on the river and an opportunity to tell of “the big one that got away!”

Excursions

After a transfer to one of our launch sites, one of our experienced guides will brief you in matters of safety pertaining to the trip. Shortly thereafter we take to the water in pursuit of adventure. In protection of our natural resources, we have adopted a catch-and-release policy for all fish caught. We do however encourage the use of a camera to capture those memorable moments. It is our aim to make your trip “a day to remember.”
